To Whom It May Concern,

I'm writing to recommend Mr. Sabyasachi Purkayastha, holder of Hong Kong Identity Card No F046809(2), who has been employed at our company as an Software Developer intern from Dec 2021 to Jan 2022. His main duties include development of web based analytic dashboard for iot devices and training of AI. He was responsible for his duties and demonstrated the ability of a fast learner. He has taken on responsibilities above and beyond what his position required. He was efficient and was able to take the initiative to ask.

He is delighted to work with and is able to work independently. As Sabyasachi's direct supervisor, I enthusiastically recommend him as a motivated, hard-working employee and a valuable contribution to any team.

Should you wish to discuss further regarding Sabyasachi 's experience and performance at GrinBean, please do not hesitate to contact me at archii@grinbean.hk.

Best regards,

Archie Loong
